

**Croeso i Warchodfa Natur Genedlaethol Oxwich**

Mae twyni tywod, llynnoedd, coetiroedd, clogwyni, morfeydd heli a chorsydd dŵr croyw i gyd yn rhan o'r warchodfa arfordirol amrywiol hon.

Mae'n brin cael cynifer o wahanol gynefinoedd mewn ardal mor gymharol fach yn y DU sy'n cefnogi dros 600 o rywogaethau o blodeuol, heb sôn am rywogaethau eraill!

Mae gan y warchodfa draeth gwych, ond os cerddwch i mewn i'r tir rhyw ychydig, bydd llawer o fywyd gwylt i chi ei ddarganfod.

**Welcome to Oxwich National Nature Reserve (NNR)**

Sand dunes, lakes, woodlands, cliffs and salt and freshwater marshes are all part of this varied coastal reserve.

It's rare in the UK to have so many different habitats in such a relatively small area which supports over 600 species of flowering plants alone!

The reserve has a wonderful beach, but walk a little way inland and there's a wildlife oasis here for you to discover.

## Llwybrau Cerdded Oxwich Walks

Route	Difficulty	Pelletier	Distance	Time	Amser	Highlights
Llwybr Twyni a Thraeth	Moderate	2½ miles	3.8km	1½ hours	Awr	Early summer orchids and wildflowers in the dunes and discovering a 'beach of the year'.
Llwybr Coed Nicholaston	Moderate	2¼ miles	3.6km	1½-2 hours	Awr	Spring flowers, old trees and breathtaking views of Oxwich Bay.

PROFIL Y LLWYBR | ROUTE PROFILE

PROFIL Y LLWYBR | ROUTE PROFILE

Mae cyfleo'r ddwy daith gerdded yn gyfanswm o 4½ millitir | 7.1km

Combining both walks is a total of 4½ miles | 7.1km

**'Traeth y Flwyddyn'**

Ydych chi dafliad carreg o un o draethau mwyaf mawreddog Cymru, sydd wedi'i ddyfarnu'n 'Draeth y Flwyddyn y DU' ddwywaith.

**Ar frig y gynghrair blodau gwylt**

Mae'n fynedfa i un o'r systemau twyni twyod mwyaf amrywiol ei blodau yng Nghymru ychydig i mewn i'r tir. Mae'n gartref i'r crwyslys Cymreig, sy'n genedlaethol brin, ac amrywiath o flodau gwylt llawn gan gynnwys sawl math o degeirian.

**Amser am damaid**

Mae'r chwilen broc mör brin iawn yn cysgodni a froc mör ar y traeth ac yn chwilio am ei hoff fyrbryd - chwain y twyod.

**A 'Beach of the Year'**

You are literally a stone's throw away from one of Wales' most prestigious beaches, twice awarded with 'UK Beach of the Year'.

**Top of wildflower league**

The entrance to one of the most florally diverse sand dune systems in Wales is only a short way inland. It's home to the nationally rare dune gentian and a variety of colourful wildflowers including many species of orchid.

**Snack time**

The very rare beachcomber beetle (or 'strandline' beetle) shelters under driftwood on the beach and looks out for a favourite snack - sandhoppers.

**Crwyslys Cymreig**  
Dune gentian

**Beth allwch chi ei wneud fan hyn?**

**Golygfeydd o'r mör**

Experienciate a great day out here jumping in the surf, exploring the rock pools, discovering the dunes, watching lake wildlife from our birdhide at Whitestones, and taking in the incredible views looking across the bay towards Devon.

**What can you do here?**

**Seascapes**

Experience a great day out here jumping in the surf, exploring the rock pools, discovering the dunes, watching lake wildlife from our birdhide at Whitestones, and taking in the incredible views looking across the bay towards Devon.

**Gwarchodedig a bregus**

Mae llwybr, rhwng 70 metr o'ch blaen, yn arwain at y twyni. Cerddwch yn afalus ymhil y blodau sy'n dod i'r golwg a'r poblogaethau a gydnabodir yn genedlaethol o leisian bach wrth iddynt twydo ar flodau gwlanog, trawiadol y blugen felen.

**Llwybr troellog**

Mentwrch ar y llwybr wedi'i orchuddio â chregyn cocos (gweler map) sy'n ymdroelli trwy'r twyni a lle mae merlod yn pori drwy'r flwyddyn.

**Plucen felen**  
Kidney vetch

**A winding path**

Venture onto the cockleshell-covered path (see map) which winds through the dunes, and where ponies graze all year around.

**Chwilen broc mör**

**ER MWYN EICH DIOGELWCH CHI:**

- Peidiwch â phalu tyllau neu dwneli yn y twyni twyod - mae tywod yn gallu dymchwel a'ch mygu chi.
- Byddwch yn ymwybodol o fwd/tywod meddal sy'n suddo a phediwch â mynd allan i'r ffordd - mae'r llanw yn gallu eich ymysu'n gyffwr.
- Edrychwch i weld byw cyfrwyr y llanw.
- Peidiwch â chyffwrdd ag unrhyw weddillion milwrol - galenni ffwrdd y Rôwch wybod i'r ffordd 999.
- I fwy a nodir Oxwich, edwch gwn ar denlyn o fil y twyni tan fis Coffeinau i ddlogiadau adar sy'n rythu ar yr arfordir ac ar lasweltau, a hefyd yn ystod diweddiad yr hydref a'r gaeaf ar y morydau i warchod adar gwylt sy'n gaeafu.

**FOR YOUR SAFETY:**

- Do not dig holes or tunnels in the sand dunes – sand can collapse and suffocate you.
- Waves can be strong at times – take care while swimming or using inflatables.
- Be aware of soft sinking mud/sand and do not go out onto the estuary – the incoming tide can quickly cut you off.
- Check the state of the tide.
- Do not touch any military debris – it may explode! Report any suspect objects to the Police by calling 999.
- To help Oxwich's birds **please keep dogs on a lead from March – July** to safeguard shore and grassland nesting birds, and during late autumn-winter around the lakes and marsh to protect wintering wildfowl.
