Croeso i Gae'n y Coed

Croeso i Faes Parcio Cae'n y Coed. Ar un adeg roedd Pont Beili dros dro yma er mwyn cludo coed o'r ochr draw i Afon Mawddach. Y dyddiau hyn mae beicwyr mynydd a cherddwyr yn defnyddio'r bont newydd fel cyswilt hanfodol i'r tiroedd gwylt ar ochr ddwyreiniol yr afon. Dyma fan cychwyn ein Llwybr Llosgynydd heriol.

Welcome to Cae'n y Coed

Welcome to the Cae'n y Coed car park. Cae'n y Coed means 'field in the woods' and is named after a nearby smallholding. Once temporary Bailey bridge stood here to take out timber from the other side of the Afon Mawddach. Nowadays mountain bikers and walkers use the new bridge as a crucial link to the wilder country on the east side of the river. This is the starting point for our challenging Volcano Trail.
