Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This variation and consolidation allows the installation boundary to be increased and for the use of an effluent treatment plant for treating effluents produced on site, prior to discharge to public sewer.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
