

How to find us

From the A5 in Betws y Coed, turn over the bridge in the centre of village onto the B5106, then turn immediately left and then right into the public car park. The start of the trail and an information board are opposite the car park.

Animal Puzzle Trail

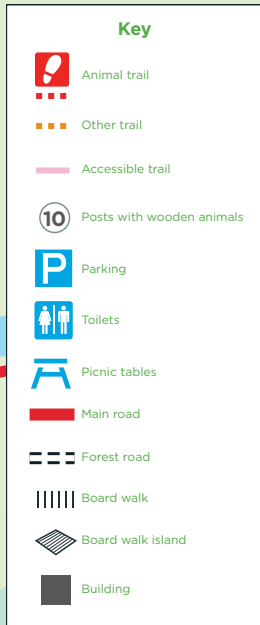

// A woodland trail for budding detectives

Clues

Follow the clues and the map around the red trail keeping your eyes peeled for the animals.

- 1 I croak in the night and have cold green skin, I like damp places to spend my time in!
- 2 Deep in the forest I hunt and I bark, a bit like a dog but I am out in the dark!
- 3 Knock, Knock, I am a bird who uses my beak to dig out insect grubs in dead trees.
- 4 I am not a zebra but I am black and white, I live in a sett and eat slugs and grubs at night!
- 5 I sleep upside down, I am incredibly light, hunting by sound and flying by night!
- 6 Bright eyed and bushy tailed, I scamper on the forest floor, collecting nuts and cones for my winter store!
- 7 Twit-twoo, a tree is my house, I eat little creatures, I like a tasty mouse!
- 8 On long summer days, you will see me flutter, with my long tongue I feed on nectar!
- 9 I am a mammal, eat insects, my body is round and I have a short tail and a pointed snout. I have a spiky coat, and when frightened I roll myself up in a ball.
- 10 I am a shy furry mammal and live in a holt by the river. I eat fish and like to play in water.
- 11 I live in the sea but return to the stream I was born in to lay my eggs by swimming and leaping upstream.
- 12 Look for me near water. I get my name because I bob up and down and dive in the river looking for insects. I have waterproof feathers!
