Llwybr Rhaeadrau a Mwyngloddiau Aur
Waterfalls and Goldmines Trail

UCHAFBWYNTIAU

Mae'r rhaeadrau eu hunain yn gwneud y daith hon yn werth chweil.

Dilynwch ffordd y goedwig tua'r gogledd ar hyd afon Mawddach drwy ddyffryn serth â choed mawr o'ch cwmpas, i gyfeiriad y rhaeadrau. Gwrandewch ar y traciau sain MP3 wrth i chi fynd heibio i olion ffatri powdr gwn, gweithfeydd mwyngloddio aur a hen bwll Gwynfynydd (a gaeodd yn 1999). Dilynwch yr arwyddbyst ar hyd ochr ddwyreiniol yr afon a chroesi'r bont bren yn ôl i'r maes parcio.

HIGHLIGHTS

The Waterfalls alone make this walk worthwhile.

Follow the forest road north along the river Mawddach in a steep-sided valley surrounded by big trees, towards the waterfalls. Listen to the MP3 audio trail as you pass the remains of a gunpowder factory, gold mining works and the Gwynfynydd mine (which closed in 1999). Follow the waymarkers along the east side of the river and cross the timber bridge back to the car park.
