the use of any device for illuminating a target or any sighting device for night shooting, by authorised persons acting under subparagraph (2)(i) above;

the use of any form of artificial lighting or any mirror or other dazzling device, by authorised persons acting under subparagraph (2)(i) above;

- (iv) the use of a cage trap the dimensions of which do not satisfy the requirements of Section 8(1) of the Act, by authorised persons acting under paragraph (2)(i) above;
- (v) the use, by authorised persons acting under subparagraph (2)(i) above, of any hand held or hand propelled net to take birds whilst not in flight.

The works noted above are licensed for the period **as stated above** and are granted subject to compliance with the conditions as specified. Anything done otherwise than in accordance with the terms and conditions of the licence may constitute an offence.

CONDITIONS							
1.	Persons authorised by this licence must ensure they have read and understood the terms and conditions of this licence prior to carrying out licenced activities. (See note 10).						
2.	Except as specifically permitted under paragraph (2) above, this licence does not authorise the use of any method of killing or taking, which is prohibited by Section 5 or Section 8 of the Act.						
3.	This licence does not authorise the taking of any action within the protected sites listed in Annex 1 of this licence, or within identified 300 metre buffer areas surrounding the listed designations (500 metres in the case of the Dyfi Estuary SSSI/SPA). Protected site information can be found at https://datamap.gov.wales/layers/inspire-nrw:NRW_Bespoke_licence_areas						
4.	Any birds killed in accordance with this licence must be killed in a quick and humane manner.						
5.	Where any cage trap, including a trap authorised under subparagraph (2)(iii) above is used, then only the bird species listed in this paragraph may be used as decoys. <table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">Crow, Carrion</td> <td style="width: 50%;"><i>Corvus corone</i></td> </tr> <tr> <td>Magpie</td> <td><i>Pica pica</i></td> </tr> <tr> <td>Jackdaw</td> <td><i>Coloeus monedula</i></td> </tr> </table>	Crow, Carrion	<i>Corvus corone</i>	Magpie	<i>Pica pica</i>	Jackdaw	<i>Coloeus monedula</i>
Crow, Carrion	<i>Corvus corone</i>						
Magpie	<i>Pica pica</i>						
Jackdaw	<i>Coloeus monedula</i>						
6.	All relevant animal welfare legislation must be complied with at all times, including the Animal Welfare Act 2006. This includes providing decoy birds with adequate food and water at all times, appropriate shelter and a suitable perch that does not cause discomfort to the bird's feet.						
7.	When in use, every cage trap used pursuant to this licence must be physically inspected at least once every day at intervals of no more than 25 hours, except where this is not possible because of severe weather conditions. In such cases, every effort must be made to inspect the cage trap as soon as possible. Such an inspection must be sufficient to determine whether there are any live or dead birds or other animals in the trap.						
8.	Where any live animal or bird, other than a bird included in the list at subparagraph (2)(i) above, is confined in a cage trap it must be released immediately upon discovery. This condition does not apply to invasive non-native species included in Part 1 of Schedule 9 to the Act, including mink <i>Neovison vison</i> and grey squirrel <i>Sciurus carolinensis</i> , which may only be released under an individual licence from NRW.						
9.	At each inspection any dead animal, including any dead bird, caught in the trap must be removed from it and disposed of in a lawful manner.						
10.	When any cage trap is not in use, it must be rendered incapable of holding or catching birds or other animals. In order to render any cage traps incapable of holding or catching birds or other animals, it is necessary either to secure the door with a padlock in a fully open position, or to remove the door completely. When any Larsen trap is not in use, it shall be removed from site and stored in such a manner as to prevent its accidental use.

NOTES	
1.	If you intend to control wild birds in relation to the sites listed on Annex 1 of this licence you will need to apply for a specific licence from NRW.
2.	No person convicted of an offence to which this note applies may rely on this licence unless, in respect of that offence, one of the following applies: (1) they were dismissed with an admonition; (2) they are a rehabilitated person for the purposes of the Rehabilitation of Offenders Act 1974 and their conviction is treated as spent; (3) a Court has made an order discharging them absolutely. This note applies to offences under the Wildlife and Countryside Act 1981, the Deer Act 1991, the Wild Mammals (Protection) Act 1996, the Hunting Act 2004, the Conservation of Habitats and Species Regulations 2017, the Protection of Badgers Act 1992 and the Animal Welfare Act 2006 (all as amended).
3.	Failure to act within the purpose of this licence as set out in paragraph 1 or failure to comply with the conditions of the licence may mean that the licence cannot be relied upon and an offence may be committed.
4.	Cage traps should not be used during severe hot or cold weather conditions, or when such conditions can be reasonably anticipated.
5.	Where the licensed action includes the use of firearms, it is the authorised person's responsibility to ensure that he complies with all relevant legislation.
6.	It is not permitted to shoot Canada Geese using ammunition prohibited by the Environment Protection (Restriction on Use of Lead Shot Regulations) (Wales) 2002.
7.	Eggs of species listed in paragraph 2(i) may be replaced by dummy eggs under this licence. The preferred method for egg destruction is to place removed eggs in a freezer for six to eight hours, after which time they can be put back into the nest, if the dummy eggs are required elsewhere.
8.	Birds killed or taken under a licence may be eaten, but with the exception of woodpigeon <i>Columba palumbus</i> , may not be sold for human consumption.
9.	This licence may be modified or revoked at any time.
10.	Authorised persons intending to carry out activities under this licence are advised to print, sign and date a copy and retain it for inspection.

DEFINITIONS	
1.	<p>An "authorised person" means:</p> <ul style="list-style-type: none"> a) the owner or occupier, or any person authorised by the owner or occupier, of the land on which the action authorised is taken; b) any person authorised in writing by the local authority for the area within which the action authorised is taken; c) as respects anything done in relation to wild birds, any person authorised in writing by <ul style="list-style-type: none"> i) the Welsh Ministers, in relation to things done for purposes relating to fishing or fisheries in the Welsh inshore region (within the meaning of the Marine and Coastal Access Act 2009); ii) any of the following bodies, that is to say, any of the GB conservation bodies, a district board for a fishery district within the meaning of the Salmon Fisheries (Scotland) Act 1862 or an inshore fisheries and conservation authority. d) any person authorised in writing by Natural Resources Wales. <p>The authorisation of any person for the purposes of this definition shall not confer any right of entry upon any land</p>
2.	A "semi-automatic weapon" means any weapon which is not prohibited by Section 5 of the Firearms Act 1968 (as amended) and which has a magazine capable of holding more than two rounds of ammunition, where the depression of the trigger ejects a single shot, each subsequent shot requiring a further depression of the trigger
3.	"to kill" includes accidentally wounding, whilst attempting to kill in accordance with this licence.
4.	<p>"livestock" includes any animal which is kept –</p> <ul style="list-style-type: none"> (a) for provision of food, wool, skins or fur; (b) for the purpose of its use in the carrying on of any agricultural activity; (c) for the provision or improvement of shooting or fishing. <p>The term "kept" is not defined in the 1981 Act. For the purposes of this licence animals that are either physically constrained (e.g. within fences or a pen), or which are unconstrained but remain significantly dependent on people, are "kept". For example, where a gamebird remains in close</p>

	proximity to a release pen and will often return to it for shelter or to roost at night, and is dependent of food put out by the gamekeeper then it is may be regarded as livestock even if it is free-living.
