TAKING CARE OF ONE OF LIFE'S ESSENTIALS IN MID AND NORTH EAST WALES

DARPARU GWERTH I'N CYMUNEDAU LLEOL

Sicrhau cylch dŵr cynaliadwy

Cynnydd

- Asesiad risg wedi'i gymell gan NEP o ran symud INNS rhwng ffynonellau dŵr crai
- Cyhoeddwyd ein Cynllun Sychder 1af yn 2020
- Datblvgu WRMP24

Y Dyfodol

Modelu sychder cynnar 1 o bob 500

Cronfa gymunedol £50,000 y flwyddyn

Ehangu cyrhaeddiad 'cymorth i dalu'

Cryfhau dolenni â'r gadwyn gyflenwi leol.

Gostyngiadau ym miliau hyd at 90% i'r rhai sy'n ei chael

Canolbwynt gweithrediadau newydd ar gyfer Powys -

Datrysiadau lefel dalgylch

Cefnogi'n cwsmeriaid a'n cymunedau

hi'n anodd talu

Dyfodol

dod â 40 o swyddi

Gwella'n hamgylchedd naturiol

Cynnydd

- Partneriaethau strategol gydag Ymddiriedolaethau Bywyd Gwyllt lleol i wella tiroedd 3ydd parti
- Mae gwella ansawdd 46 cilometr o afonydd ar y gweill
- Cyfran o RNAGs dros yr AMP i lawr i oddeutu 3.5%

Y Dyfodol

Cynlluniau Gweithredu Bioamrywiaeth ar gyfer safleoedd gweithredol allweddol

Bioamrywiaeth ehangach a mynd i'r afael â gorlifiadau stormvdd.

Lliniaru newid yn yr hinsawdd

Cynnydd

- Adfer corsydd mawn ar raddfa Ystâd Efyrnwy
- Targed vnni adnewyddadwy 100%

Y Dyfodol

- Ehangu prosiect mawndir yn Efyrnwy
- Cynllun rheoli coedwigaeth cynaliadwy ar gyfer Efyrnwy
- Opsiynau tir i gynnal y Goedwig Genedlaethol

Cynnydd

DELIVERING VALUE FOR OUR LOCAL COMMUNITIES

Ensuring a sustainable water cycle

Progress

- NEP driven risk assessment on movement of INNS between raw water sources
- Our 1st Drought Plan published in 2020
- Development of WRMP24

Future

- Early 1 in 500 drought modelling
- Catchment level solutions

Supporting our customers and communities

Progress RHAGOROL O'R TAP WONDERFUL ON TAP

- £50k-a-year community fund
- Up to 90% bill discounts for those struggling to pay
- New operations hub for Powys bringing 40 jobs Future
- Expanding help-to-pay reach
- Deepening links with the local supply chain

Enhancing our natural environment

Progress

- Strategic partnerships with local Wildlife Trusts to improve 3rd party land
- Improving 46km of river quality underway
- Share of RNAGs over the AMP down to c.3.5%.

Future

- Biodiversity Action Plans for key operational sites
- Wider biodiversity and tackling storm overflows

Mitigating climate change

Progress

- Restoring peat bogs at scale Vyrnwy estate
- 100% renewable energy target

Future

- Expand peatland project at Vyrnwy
- Sustainable forestry management plan for Vyrnwy
- Land options to support the National Forest

DELIVERING WALES'S PRIORITIES

Ofwat objectives for its approach in Wales

outcomes focused –tackling long-term risks, safeguarding long-term resilience and performance, and ensuring investment timing gives intergenerational equity

preventative – encouraging companies to understand and consider how to address problems addressed at source;

value for money – for customers, communities and the environment

best value solutions – encouraging investment that responds to multiple drivers or has multiple benefits and reflects wider environmental and social value

effective collaboration – with customers and stakeholders

challenges companies – to provide clear and compelling evidence for investment plans, and to seek new ways of delivering efficiently for customers and the environment.

Drivers in Wales

The Well-being of Future Generations Act

globally responsible Wales

prosperous Wales

resilient Wales

Wales of cohesive communities

healthier Wales

more equal Wales

Wales of vibrant culture & thriving Welsh language

Net zero legal mandate

Mar 2021 – Senedd approved net zero target for 2050

Biodiversity legislation

Environment Wales Act 2016 – developments "...must provide a net benefit for biodiversity"

Climate change resilience policy

NRW's NE Area Statement – *"organisations need to increase our resilience"*

Lead free Wales policy

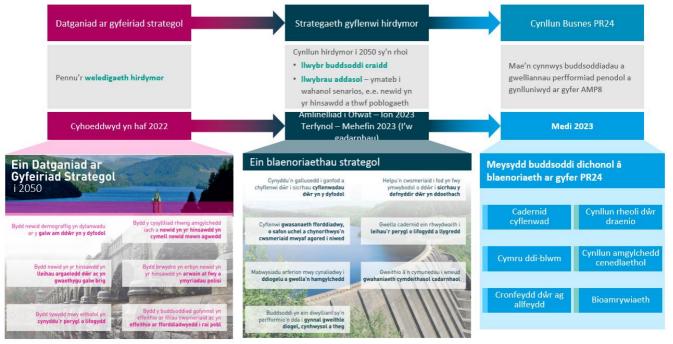

Lead Free Wales Initiative \rightarrow reducing and removing the risk from lead in water supplies

Storm overflows on the Senedd radar Mar 2022 – Senedd declares discharges into rivers is unacceptable → Welsh Government

co-creating Team Wales roadmap

Our ambition is go beyond regulation...

Y CYNNYDD A WNAETHOM

ST Classification: OFFICIAL PERSONAL

THE PROGRESS WE HAVE MADE

...and we've mapped our carbon sources

- Direct emissions from burning fossil fuels scope 1
- Process and fugitive emissions scope 1
- Company-owned or leased vehicles scope 1
- Purchased electricity scope 2
 - Purchased electricity transmission & distribution scope 3

...we're working with local partners to improve the environment at the heart of our communities...

Pathways for Pearls -Welshpool, Cyfronydd & Guilsfield, Powys

- Montgomeryshire Wildlife Trust
- a well-connected, wildliferich landscape
- benefit for pollinators and the rare Pearl-Bordered Fritillary butterfly

Minera & Marford quarries, Wrexham

partnered with North Wales Wildlife Trust

enhanced 60+ hectares of invertebrate & flora habitat

...restoring 450 acres of peatland at Lake Vyrnwy...

- Rewetting peatland → heather cutting + conifer removal + blocking ditches & gullies + re-profiling hags
- Partnering RSPB Cymru & NRW
- £350k invested in the last year
- 300ha done so far

CYFLAWNI AR FFORDDIADWYEDD

Gall ein cefnogaeth i gwsmeriaid naill ai gwneud y bil yn haws ei drin neu ostwng v bil

- darparu hyblygrwydd talu cynlluniau talu estynedig a seibiannau talu - lle mae'r bil cyfan yn dal i gael ei dalu ond mae'r casglu'n hyblyg
- helpu cwsmeriaid i ddod yn fwy effeithlon gyda dŵr
- Ileihau swm y bil gyda'n tariff cymdeithasol Here2Help neu gynllun WaterSure

Rydym yn cynorthwyo 42% o'n cwsmeriaid sy'n cael trafferth talu – mae hynny'n fwy na 6,100 o gwsmeriaid

Rydym yn cysylltu'n rhagweithiol â chwsmeriaid ar unwaith os ydyn nhw'n hepgor taliad

Mynychu Lleoedd Cynnes ledled Powys a Wrecsam i ymgysylltu â chwsmeriaid wyneb yn wyneb

Addysgu cwsmeriaid am sut i leihau biliau dŵr a chwtogi ar ynni ar yr un pryd

- parhau i weithio mewn partneriaeth
- creu partneriaethau newydd
- Gweith vmestvn ein hvfforddiant cvmhwvsiad Un stop i fwy o sefydliadau allanol
 - Cynyddu deialu rhagweithiol
 - Uwchsgilio'n prosesau i bobl sy'n agored i niwed.

DELIVERING ON AFFORDABILITY

garedd

arall

Other

Our support to customers can either make the bill more manageable or discount the bill

- provide payment flexibility extended payment plans and payment breaks - where the whole bill is still paid but collection is flexible
- helping customers become more efficient with water
- reducing the bill amount with our Here2Help social tariff or WaterSure scheme

- up to 90% off the bill

We're supporting 42% of our struggling to pay customers - that's over 6,100 customers

We're proactively contacting customers straight away if they miss a payment

Attending Warm Places across Powys and Wrexham to engage with customers face to face

Educating customers on how to reduce water and energy bills at the same time

- continuing partnership working
- creating new partnerships
- extending our One-stop application activity training to more external orgs
 - increasing proactive dialling
 - upskilling on our vulnerable processes.
