Mae'r rheolyddion tua'r un mor anodd â rheolyddion cwrs 2 – ar neu o fewn 25m o llwybrau a nodweddion llinell. Mae'r cwrs tua **2.9km** o hyd gyda dringfa o **140m**. Gall y llwybr a ddewisir gynyddu neu leihau'r ffigurau hyn. Mae'n addas ar gyfer cerddwyr heini a rhedwyr sy'n gallu darllen a deall mapiau.

Mae'r cwrs cyfeiriannu mewn rhan o'r goedwig sydd hefyd yn cael ei defnyddio gan gerbydau modur a beiciau modur yn achlysurol, a defnyddwyr hamdden eraill gan gynnwys beicwyr, pobl ar gefn ceffyl a cherddwyr. Byddwch yn ymwybodol ohonyn nhw, yn enwedig beiciau modur ar y llwybrau.

Controls are similar difficulty to course 2 – on or within 25m of line features and paths. It is about **2.9km** long with **140m** climb. Route choice might increase or decrease these figures. It is suitable for fit walkers and runners who can read and understand a map.

The orienteering course is in a part of the forest that is also used by motor vehicles and occasional motor bikes. Other recreation users include cyclists, horse riders and walkers. Please be aware of them, especially MTB's on the trails.
